We Have a Sending Church!

The month of April went by in a flash. Easter Sunday was our last Sunday at New Hope MBC in Moss Hill, Tx where I served as pastor for the past 8 years.

It should no longer surprise us when God meets our needs so quickly. What we thought might take us months to find a sending church only took God a week. Sunday, April 3, 2016, we visited [Nevill's Chapel Baptist Church](http://www.NevillsChapelBaptistChurch.org) and presented our burden for Argentina.

The very next week as we were driving to the World Missions Seminar in North Little Rock, Arkansas Bro. Glenn Griffith called to let us know that Nevill's Chapel voted unanimously to be our sending church.

My family and I are so excited to join Nevill's Chapel in reaching Argentina with the saving gospel of Jesus Christ. Please pray for us and for Argentina.

Why Argentina?

We give the longer answer on our blog.

The short answer is, there is a great need for the gospel in Argentina and we have no other

ABA works there at this time.

God put a burden on our hearts for the people in Argentina. During our survey trip in 2014 we experienced many open doors confirming that Argentina was the place God wanted us to go as Missionaries.
