## June 2016 - 91st Annual ABA Messenger Meeting

June has been a full month with two Vacation Bible Schools, a Mission Rally, Church Camp, and the Annual Messenger Meeting of the [American Baptist Association](http://www.AmericanBaptist.org) as well as all the churches we visited during the month.

We really enjoyed our time at the ABA meeting in Tulsa, Oklahoma during June 21-23. We got to see so many long time friends and meet new ones.

Our 11 year old daughter, Hannah, got to hold the flag of Argentina during the flag ceremony. Each year there is a parade of flags. Each flag represents countries that have a Missionary from our association. Currently there are no other ABA works in Argentina. This may very well be the first year the Argentine flag has been in the line up.

My family was excited to hear I was approved by the messengers to be recommended as a foreign missionary on designated funds. "Dad, does that mean your picture will be on the Missionary poster?" Yes, it does. Please

pray for my family and all the other missionary families represented whenever you see the 2016 - 2017 ABA Missionary Poster.

In the picture to the right is my family and along with other missionaries standing before the messengers during the missionary recognition time. We are blessed by the prayers of those who support the Missionaries of the American Baptist Association.
