July 2016 – Transitioning into Full Time Deputation

July has been a month of transition as we say “Goodbye” to many of our normal ways of life and embracing the change ahead of us.

Probably one of the hardest “Goodbyes” was to our son, Joshua, as we left him in front of his new apartment at Texas Baptist Institute-Seminary in Henderson, TX and headed back to Moss Hill, TX where our home has been for the past 8 years.

July 21st was my last day at the Hardin ISD where I worked in the technology department for the past 7 years. The last few months at the school I was blessed to have the opportunity to share with many of my friends and co-workers about how good God is and where He is leading us. My last day at the school was the hardest as I said goodbye. God has blessed my family so much by providing me a job that helped me support my family during the years I pastored New Hope MBC.

The final week of July we got to see Joshua again at Pine Springs Baptist Camp #4.

That week of church camp was an important week for our family as we have attended this camp for many years. This will probably be the last year we get to attend camp for a very long time. My wife and I resigned the classes we have enjoyed teaching for many years. I taught the High School – College class and my wife taught the 3rd grade class. We were blessed to see two volunteers step up to take our places next year at camp.

While it was sad to leave our final week of camp, we are still excited to think of where we are headed as we move forward into full time deputation.

Another blessing was finding a good home for our beloved dog, Patches. She was such a sweet guard dog, watching over our home and family for the past two years we've had her.

Argentina Fun Fact

Hot Dogs are called “Panchos” in Argentina. You can choose from a variety of toppings, including shoe string potatoes, but sadly chili is not on the menu.
