August 2016 – Way Out West in Texas

After saying our Goodbyes to our friends in South East Texas, we headed west. The first Sunday in August we visited three churches in San Antonio. While we were in the area, we introduced our children to the public bus system. The buses in San Antonio are very similar to those in Argentina that we will be using during our first term. Our children seem to enjoy the lessons they are learning along the way.

While raising prayer and financial support for the work we will be doing in Argentina is important, taking care of our family is even more important. That's why we make a point to spend time together between appointments visiting museums and participating in activities along the way.

Another aspect we have really benefited from during this time of deputation is getting to meet and fellowship with so many of God's people. Every church we visit has something special and unique about it. We have really learned so much from each church and have made many new friends along the way. We have truly been blessed by God's people.

We really enjoy deputation but sometimes there are bumps in the road as we try to travel along the path God has in store for us. On the last day of August we experienced a blow out on our trailer. That was one of several repairs we had to make along the way. But the Lord is faithful and we were able to take care of each problem.

We would like to say a special "Thank You" to Northside MBC in Snyder, Tx for helping us with the cost of the new tires for our travel trailer.

To see where we are check out our calendar at

<http://argentinabaptist.org/calendar>

If you would like us to come speak at your church or event please call my cell phone at 254-580-5358 or email us at smaness@argentinabaptist.org.

You can also sign up to receive our reports by email at ArgentinaBaptist.org.

Argentina Fun Fact

Seasons and climate are different in Argentina from the United States. In Argentina the north is hotter than the south and winter begins in June while the hottest days of Summer is in January. Imagine celebrating Christmas in the summer time.

Deputation Appointments
