### September 2016 – Another Soul Saved!

So much has happened in September that it will be hard to fit it all into a short report. The first Sunday of September, I was given the opportunity to preach on the radio as a guest of Northside Baptist Church of Snyder, Tx. The message I brought was broadcast to over 90 counties. That was a true blessing as we not only got to tell about the need in Argentina but also share the gospel with those who need to hear it in West Texas as well.

September 7 - 11 my family and I attended Northcrest Baptist Church's Faith Promise Conference. We were honored to bring special music each night of the

Conference. We enjoyed hearing from different missionaries each night as well as hear powerful sermons by Evangelist Terry Woodside throughout the week. We shared our burden for Argentina on Sunday morning.

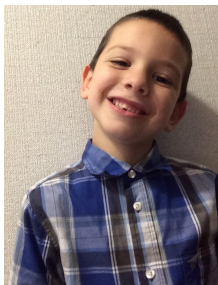

This was Northcrest's first Faith Promise Conference and it appeared to be a great success as many individual members filled out their Faith Promise card promising to give

*After the Faith Promise Conference we took a day to visit Carlsbad Caverns.*

During the conference we purchased a much needed weight distribution hitch and anti-sway bar for our travel trailer. We really appreciated Bro. Woodside and Pastor Bailey along with several members of Northcrest who helped us install the system on our trailer. We gained so much stability and are able to pull our trailer much more smoothly now.

Also in September we found out our baby due January 9th is a girl. We are naming her Joanna Lynn.

By far the greatest blessing we've had this month was the salvation of our son, Elijah. September 29, Elijah repented of his sins and asked the Lord to save him. What a great way to end the month.
