Carrying the Gospel of Christ to the people of Argentina

Romans Chapter 10

14 How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?

15 And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

16 But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report?

17 So then faith cometh by hearing, and hearing by the word of God.

June 2017

It was a blessing watching the Lord work throughout the month of June. It was a month of both meeting new friends and prayer partners and saying goodbye to many that we will not see for many years. It was a month of not knowing how the Lord would meet a need and then watching the Lord meet that same need. It was a month of opportunities to share the gospel, seeing some that accept and others that reject.

It amazes me how many people that the Lord has put in my life in the last year that mean so much to me. I cannot imagine not having the prayer support that we have picked up in the last year. The Lord is absolutely Awesome in power and might! The Lord's people are the best ever! During this month we not only saw many people at the annual messenger meeting in Florida, but had the privilege to spend time with several churches. While we were in Florida I enjoyed getting to spend time with my father the week before the national meeting.

With six months to go, we feel that we are entering the final lap of deputation. Our plans are to finish our deputation by December and fly out to Argentina in January. As the dates draw nearer and more things are completed, it is exciting as we look forward to the next step in our journey.

Gathering wisdom from veteran missionaries!

The kids have enjoyed making friends in each church that we have visited and we all would love to extend our visit at individual churches. My nine year old told me the other day that he would pay for the gas to drive the two and a half hours back to the church that we went to on Sunday to play with the new friends that he made the day before. The memories and love that the Lord's churches have shown will be carried with us as we go to share the gospel and plant churches in Argentina.

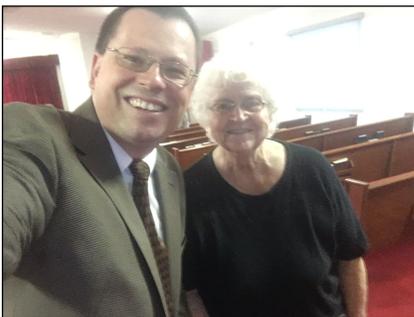

Thank you again to Landmark MBC in Madison Florida and to Brother Ledford for welding this brace for our trailer. It is still working perfectly!

It was a blessing to be able to carry the Argentine flag at the national meeting!

As I see the pictures in this report my eyes already begin to water for those that I may not see for years later. Heaven will be the most blessed place for the soul winner!

It was great to see Sister Barker again. It has been many years since I had last seen her! She has served the Lord faithfully as a pastor's wife and as a mother.

Saying Goodbye to family and friends!
