Carrying the Gospel of Christ to the people of Argentina

Romans Chapter 10

14 How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?

15 And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

16 But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report?

17 So then faith cometh by hearing, and hearing by the word of God.

July 2017

July was an amazing month of God's blessings! We had the opportunity to not only help individuals, preach and share the word and the work, but to also see God step in multiple times and do what only He can truly do!

We enjoyed this month being with churches in Florida, Georgia, Kentucky and Indiana. We finished up our stay in Florida during the first week and traveled through Georgia as we went to Church Camp in Kentucky. It is an understatement to say that we saw the Lord stirring the hearts at camp. We saw many people that week come forward to be saved, not moved by emotionalism, but by the Word of God. While we were in Kentucky, I had the opportunity to preach and share the work with the church that my Grandmother was a member of when she was alive in the hills of Kentucky! I remember her skinning and cooking a

rabbit with only one arm when I was a kid. She would make her way up the hill each time the doors were open to church with only one functioning arm and leg!

After an amazing week in Kentucky we went up to Indiana to finish out the month. It is a blessing to be able to not only stand on the shoulders of giants, but to glean from them wisdom and principles of church planting and discipleship.

When we do God's work in God's way with God's Word, God will be pleased!

The joy of leading several souls to Christ in a single night!

During the last week of the month I enjoyed getting to be with my mother as she had the kidney transplant that she has desired for the last four years. Thank you for all of the prayer that went up for her!

Late night deputation trips. The kids have learned to sleep almost anywhere!

God is so good! He blessed me this month with something that I had wanted to find for a long time: A bass harmonica! I felt led to go into this music store and the owner had one that he wanted to give to me!
God is good and you cannot out give him!
Ecclesiastes 11:1

After camp the kids enjoyed exploring a replica of a WW1 trench.

Never forget that we are daily in a battle with our adversary, the devil!
