Carrying the Gospel of Christ to the people of Argentina

Romans Chapter 10

14 How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?

15 And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

16 But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report?

17 So then faith cometh by hearing, and hearing by the word of God.

"And let us not be weary in well doing: for in due season we shall reap, if we faint not" Gal 6:9

October 2017

We Are back in TEXAS!

The first week of the month we finished up the faith-promise conference in West Virginia. We also got to share in Kentucky, Missouri, Arkansas and Texas! While we were in Arkansas we attended our last module of MTM missionary training. I highly recommend both MTM and the World Mission Seminar to not only missionaries and their sending churches, but also to any believer who wants a greater grasp on the great commission and all that goes into getting the gospel to the furthest reaches of the earth.

It was a blessing to be with Northcrest MBC in Andrews, Texas by means of technology while we were in Arkansas. It is my desire to use technology abundantly while in Argentina to keep our churches better informed on how to pray and for us to be able to pray for them at the same time.

We enjoyed coming home to our sending church on the same day that they were hosting the local mission rally and then later in the month taking part in their fall revival.

We also enjoyed getting to see the Oklahoma brethren at their state meeting in Tulsa, OK.

Please pray, as we are currently at around 50% support.

Great fellowship at the Oklahoma State Meeting!

Attending the Faith Promise Conference by phone with Northcrest MBC in Andrews, TX while in Arkansas!

It was great getting to see Brother Van Bowen again. After getting hit by an 18-wheeler earlier this year, it was great getting to see him teach scripture to the kids at Nevill's Chapel MBC!

We are still waiting for our FBI background checks to come back. When we get them back, we will have them apostilled and translated before making our appointment with the Argentine consulate. Pray that the entire process of getting our visas runs smoothly!

The trailer made it back to Texas! This home on wheels may look a little tired but it has saved us a lot of money over the last year and a half as we have been on deputation!
