## Carrying the Gospel of Christ to the people of Argentina

Romans Chapter 10

14 How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?

15 And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!

16 But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report?

17 So then faith cometh by hearing, and hearing by the word of God.

## November 2017

### Three State Meetings and a lot of Fellowship

This month again seems like several months combined into a short time. We enjoyed getting to fellowship in Arkansas, Louisiana and Texas with many messengers from many churches in these three great states!

### Building relationships with God's people has been amazing!

Over the last Year and a half of Deputation, we have been privileged to visit 184 separate churches, many of which we were able to make repeat visits. We are thankful for all of the relationships that we have been able to build during this time and look forward to seeing the results of partnering with God's people in the great commission work!

We want to say a special thank you to all of the churches and individuals that have already come on board with monthly support!

**You are a great blessing to us!**

*"Ye also helping together by prayer for us, that for the gift bestowed upon us by the means of many persons thanks may be given by many on our behalf."*  
 2 Corinthians 1:11

**Many Hands make light work!**

**Volume 2  
 Issue 11  
 November 2017**

It was great getting to visit with the Hoppers as well as several other missionaries at the state meetings this month!

We are still waiting for our FBI background checks to come back. When we get them back, we will have them apostilled and translated before making our appointment with the Argentine consulate. Pray that the entire process of getting our visas runs smoothly!

Please pray, as we are currently at around 50% support.
