June 2019

Waiting, Waiting Waiting.....Prayers answered!

After about three months of paperwork and several hours of waiting at the immigration office over the course of several days this month, we finally have our permission to stay in the country for another year. As long as our information cards arrive to the house, we shouldn't have to go back until next April. Amen!

How beautiful are the feet of them that preach the gospel of peace!

The pictures on the left are of an evangelistic trip to the north of Cordoba. The man that invited me to come along to preach had grown up in this area. We stopped at about 6 or 7 houses and gathered up people and shared the gospel. At one of the houses, an autistic man kept playing with my shoes the whole time that I was preaching. Being very interested in my feet, he kept trying to take my shoes off. The older gentleman at the top of the page listened very carefully to the presentation of the gospel. Pray for him that the seeds sown will take root.

The young man in the third picture down came up to me and politely asked me for a Bible. We made sure that he had one of his own to take home with him.

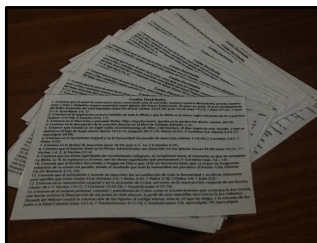

Asked to specifically come and teach about what the Bible says about the Local Church, what it is and what it is not!

At the end of the month I had been invited again to come out to the province of Santa Fe to preach. Brother Oscar had preached Saturday and Sunday on what Scriptural Baptism was and had asked me to teach and preach Saturday and Sunday on the subject of the Local Church that Jesus started. The two days of teaching was very well received. Pray for this group of people that the ones that need salvation will make decisions and the ones that are saved will follow the Lord in baptism, so that one day their might be a New Testament church in this place where now there is none.

Many opportunities to discuss the Word of God and Bible doctrine!

Two teachings that seem to be completely absent throughout much of the country are: Local church and Closed communion. Besides sharing the gospel with lost people, the Lord has given several opportunities this month to communicate on these subjects and help get people thinking on the subject.

Pray to the Lord to put opportunities in front of you each day to witness to the lost and encourage the saved! It is our responsibility! Thank you all for praying for us and for the people of Argentina!

Printed and laminated copies of the ABA doctrinal statements in Spanish have been great way to help teach people the word who already know the Lord, but have been taught false doctrine.

People are always asking me what we believe. We want to always have an answer ready.

I will sometimes present this card to someone as a Bible bookmark with 22 Bible studies for their family.

People have been happy to take it and since it is laminated and looks nice, people keep it in their Bibles longer.
