October 2019

Continuing our Bible Study in the Plaza!

The Lord has given us good weather to have an open air Bible study each Sunday afternoon. It has amazed the kids when we pointed out the fact that we have already been doing this for 2 months now! Time goes by so fast! We have been able to casually talk to several people and hope that since we are there each week doing the same thing that we might build several relationships with the people in the plaza as well as people that work at local businesses in the area.

Invited to "La Cañada" to Preach Again

Back in my June report, I mentioned being invited by a brother to go to an area where he was raised. La Cañada is a place in the Countryside about three hours north of Cordoba. Last time we visited about 6 or 7 houses in order to sing and preach. This time we revisited one house and spent several hours there with the people. As we visited, we talked about their livestock, life, and the Lord. Hannah had a great time getting out of the city and being in the country. She brought her guitar along and later we played and sang several songs. By the time that we were to begin the preaching at least 30 people from the area had gathered to hear. The ones that had invited us along had brought gospel tracts and Bibles to give. They are already planning a third trip in November to go again. Pray for several places like La Cañada that do not have any church at all preaching the gospel.

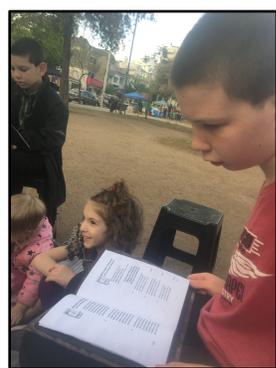

Monster Pig!

I found the Argentine Hogzilla. That is a full size ear of corn in it's mouth!

Almost Denied Entry into the Hospital to Preach

One of the Wednesdays that we arrived at the hospital to preach, we were met with a little hesitation to let us in. They said that there had been another "religious" group that had been coming that was stealing patients' cell phones. Thankfully, they let us in to preach. Please pray that this means of sharing the gospel stays open.

Finished with the Design and Layout of a Gospel of John with Plan of Salvation and First Steps of the Christian Life

When I started this Project about a year ago I never thought that it would take so long to finish. We are in the process of proofing the document for errors and some final loose ends. After that we will have a document that will be ready for print or for sharing online for free. More information to come in next month's report.

Thank you for your
prayers and support!

October 2019

Thoughts from Stacie:

The children are continuing to learn and grow. We are continuing to homeschool bilingually and give the children many opportunities to interact with their friends and the culture.

Also this month I enjoyed attending a special Mother's Day meeting. Argentina celebrates Mother's Day in October. There were women at the meeting from multiple cultures: Argentina, Peru, Mexico, Venezuela, and myself from the United States.

There is another small group of ladies that I've become good friends with. I've been going to their Bible Study for a little over a year now. This group of friends have been such a big help to me in learning and growing in the language. When I shared with them some of my struggles linguistically they encouraged me and even invited me to teach the next lesson. Please pray for me that I am able to share God's word well. Speaking and interacting in another language is really hard but it is necessary in order to continue to grow and get to where God can use me to help other women learn and grow as well.

October 2019 Financial Statement

Total Offerings from Sending Church and Supporting Churches

Sublett Rd. BC - vehicle	Arlington, TX	\$50
