February 2024

Stacie's Parents

The first two weeks of February were occupied with helping Stacie's parents (Paul and Janie Clark) with Physical Therapy sessions and a Doctor's Appointment. The doctor's appointment went well and she was approved to fly. They were scheduled to fly out on

Valentine's day but had to push back a day because Stacie's father came down with a stomach virus. The Lord got them through their flight and once back home Paul saw a doctor about his stomach problems and Janie can now walk without assistance. It is good to see them getting back to normal. Janie's birthday was on the 24th and Stacie sent her flowers for her Birthday.

Family Counseling Session

One week during the month a mother reached out to Stacie asking for help with one of her children. Stacie talked with the mother and the next day we went to their home to talk with both parents about the problems and were able to help them communicate better with each other and with their family.

**Please pray for Luisa, who
prayed to be saved this month!**

Open Door for another Home Bible Study

A friend of ours that owns a Bible Book Store in our city mentioned a family that was interested in learning more about the gospel. He had talked with one of the daughters but said they needed someone to come visit and talk with her mother. They gave us the address of the vegetable store where the family works. Stacie and I went and spoke with the mother (pictured with the bird). While I was sharing the gospel with her a parrot surprised me by jumping on my shoulder. That was the first time I have ever had a bird land on me while I was witnessing to someone. During our visit she prayed a prayer of repentance.

She said that she tries to read the Bible but that it is often too hard for her to understand. She would like us to come to her home for a Bible Study. I have visited with her at the vegetable store twice. Pray for us as we make plans to go to her home. She lives in a part of town where there are no other Baptist churches available. This would be another good area to start a church.

**Pray for Maxima! She will be 90 this year
and would like to be baptized!**

**Thank you so much for keeping us
in your prayers this month!**

Your prayers make a difference!

On our Wednesday night Bible study, Marcelo had requested that I begin a series teaching on Scriptural Baptism. Nobody besides my family coming on Wednesdays has scriptural baptism yet. One of the ladies coming each Wednesday will be turning 90 this year! She said that she would like to be baptized after the classes. Please pray for everyone coming as there is much error being commonly taught. God's Word is well able to dispel the darkness with His glorious light!
