Missionaries to Argentina

April 2024

New Home Bible Study!

We are thankful for the open door to travel to the extreme South-Center of the city of Cordoba to meet in a home on Tuesday mornings. We have really enjoyed getting to know Luisa and her family. She is originally from Bolivia, to the north of Argentina and has been living here for many years. She also speaks Quechua, the old language of the Incan empire. She has been enjoying having us read through the Gospel of John with her! She said to me last time that we were there that she has been understanding more since we have been helping her. Please pray for all of her family that they may all know the Lord! She has eight living children that need His word!

I am thankful to the LORD for all of His blessings!

Continue to Pray for Luisa and her family. We are meeting in her daughter's house on Tuesday mornings.

Dengue Fever

There has been a very bad outbreak of Dengue fever here in Argentina over the last month especially. It is a disease that is spread by infected mosquitos. The number of mosquitos has been higher this year due to shortages in the country of spray for the trucks. there are many people that we know who have been affected by this disease and recovering. Two of my kids contracted Dengue: Hannah and Elisabeth. They are doing better now but both had a very hard time during the recovery.

Wet weather and a shortage of Mosquito spray in the country!

Sick Automobile

During this month our vehicle had to go to the mechanic for a week due to a defective thermostat casing and auxiliary water pump! We are very thankful for the Lord's constant supply! Not only were we able to get our car back to us in good condition but the final price was 200,000 pesos less than the mechanic's estimate. We are thankful for all of the relationships that the Lord has allowed us to build here in Cordoba such as knowing an honest mechanic!

Preparing for Hannah's departure

There are so many loose ends to wrap up as our daughter Hannah prepares to leave for the US to begin the next phase of her life. Even as we write this report, we are only halfway through crossing off things to finish before she leaves on the 1st of May. Please pray for my wife who will be accompanying her to help her get set up for life in the US. We know that the Lord's hand will be guiding them and us while they are away.

Thank you all so much for your continued prayer and support!

On the 27th of the month Templo Bautista helped us throw a going away party for Hannah. We were able to invite many friends to come out and enjoy this special time of transition with her.

Hannah Maness

Gracias por los increíbles recuerdos y el aliento durante mi vida aquí.

¡Realmente los extrañaré a cada uno de ustedes!

¡Que Dios los bendiga a todos!

Doy gracias a mi Dios, haciendo siempre memoria de ti en mis oraciones

Eating some Locro with Hannah before she leaves for Texas!

Locro is an Argentine stew that is popular in Cordoba.
