Missionaries to Argentina

May 2026

We made it to the US!

We have been working hard to prepare for our trip to the US over the last year, especially over the last five months. We are thankful for all of the prayers that have gone up for us during this time period. Our flights all went very well. On one of our flights, I had a great time visiting with our Jewish flight attendant, who went to so much extra attention to my family. We really did have it good on that flight! Even though we were seated as far back in economy as one could go, our attendant made our stay better than anyone who was in first class! At the end of the flight he even let the kids push the buttons that controlled the airplane cabin lighting! Remember, wherever you may go, to be a witness for our Lord and Savior!

Going away "Parties" for Jonathan!

Jonathan has had a huge impact on so many people in Argentina that he had not one, but about five going away parties from the various groups to whom he has been a blessing. In those going away parties he was able to share the gospel with several people!

Preparing our group for our time in the US

Over the last five months we have been preparing the group for the time that we would be away. Marcelo will be bringing the messages on Wednesday and Sunday nights and we will be continue stay in touch through social media until we get back. Since the baptisms in March, we have been studying through the church covenant in preparation of organizing them as a New Testament church. Even before we had left out from them, we were already missing them and being missed. There were a lot of wet eyes on our last Wednesday night service before we left.

Desire to raise money for a permanent building

Over the last three years we have been meeting both at Marcelo's house and at our rented place. Our rental agreement ends in August and when we return from furlough it is our prayer to be able to purchase a building for our group to meet in on a permanent basis. Please pray with us on this matter!

This was a picture Marcelo sent of their first Sunday after we arrived in the U.S.

Marcelo had asked if Jonathan would preach the last service before we left for the U.S.!

Going away party for Jonathan!

Great time together in the Lord!

Our last Sunday service in the location in front of the plaza!
