Missionaries to Argentina

Chris Willis and
one of his
custom guitars!

August 2026

A Custom Built Bass Guitar

A huge thank you to Chris Willis and David Smith at Lifeline Baptist Church. A couple of years ago Chris lived through a quintuplet heart surgery and has been using his time and talents for the Lord. He has recently begun a ministry of building custom guitars for missionaries or churches that are in need of one. It is amazing how the Lord can supply needs that we have not even told anyone else, but the Lord. One of my regrets, when we went to Argentina, was not having room to bring my bass. (We had so much luggage when we first went. It was crazy!) During our first term, the bass that I had since High School had been stolen from our storage. Each time one of my kids moves out of the house, they take one of my key instrumentalists from our worship services. Jonathan, who has been with us since the beginning of our time there, was really good at holding down the low end in our worship with his trombone. I have been thinking about getting another bass for almost a year, looking ahead to the time that he would not be with us. God knows the thoughts of your heart, prayers that have not been formally prayed!

The Ark Encounter and a Great Conference

It was a blessing at the end of last month to be able to meet my mother and aunt in Kentucky at the Ark Encounter before going on to the mission conference in Hope, IN. We had a great visit and enjoyed spending time together seeing this great exhibit. After the Ark, we spent an amazing week with the churches of the Eastern Baptist Association and Grace MBC for their wonderful mission conference. We would like to express our thanks to the church and for the Bourlands for having us with them for the week.

A Little Bit of Fun

After the mission conference, my family had the opportunity to attend a harmonica conference in Missouri. My family had so much fun getting to attend workshops, hear performances and get into jam sessions throughout the week! One thing that is great, is all of the conversations during the week that we were able to have about the Lord. Don't be surprised if we get a harmonica worship group started with some of the kids in the neighborhood after getting back!

Getting Ready for a Lot of Driving!

At the end of this month, we are about to begin the last of the three long drives before we get ready to go back. During the months of September and October, we will drive to Arkansas, Alabama, Kentucky, Florida, West Virginia, Back to Arkansas, Back to Kentucky and then finally ending up in Texas.

One more Instrument for Worship

During the month, I was blessed to find a really good deal on a used cornet for bringing back for our worship services. Both Marcelo and his son Josue play the trumpet. Many times they have to share between the two of them if one is being worked on. When I sent a picture of it to Marcelo, he was overjoyed, and said, "That is great! We just started teaching another youth to play the trumpet!" They have been doing very well and have had a good group of people at each service. Pray for them and pray for us, we are missing being there with them!

Elijah and I with Buddy Green

Update on building fund!

Currently we have in
that fund: **\$8,490.1**
